Brown Bear

Dates: Spring April/May or Fall September/October

Based through our premier hunting lodge, we have enjoyed great success on bears ranging from 8- 9 1/2 feet with 10 foot and B&C Bears also possible. This is a great hunt for large bear while enjoying the comforts accessed through our lodge. Hunters may bring family members to participate or stay back at the lodge, with no charge for a hunter's spouse. Superb fishing is available before or

after the hunt. A good location to bring multiple hunters.
