Hunting Worldwide Since 1986

- GREENLAND - **Musk Ox and Caribou** **August**

We organize this hunt for two spectacular trophies of the North, Musk Ox and Caribou, in a single hunt in Greenland. The hunt is done by searching for the animals with the boat and then closing in on foot. Lodging is provided in small hotels or in hunting houses with all commodities. This unique hunt is done in amazing scenery, among perennial glaciers. One can hunt Salmon of the Atlantic in the

rivers and many sea fish during and after the hunt.
