European Moose in Roaring Season

September 1 – October 15

We're offering you the hunt on the European moose which normally lasts one month, from mid September through mid October. The hunt is done by stalking moose in the roar, or by waiting for them in the clearings where they come to breed. During the day the hunt is done by stalking in the woods.

Accommodation is provided in the hunting houses or in small hotels in the hunting area.

Rates:

7/5 days hunt per hunter	€ 1.900
Moose trophy fee, without limits	€ 3.500
Non hunter per day	€ 250

Rates Include:

Pick up and drop off at Riga airport, transfers in the reserve, full board in hunting lodges or in small hotels in town, 5 days of hunting organization with the assistance of local guides, first treatment of the trophy

Rates Do Not Include:

International and national air fares to Riga, gun import permit, guide-interpreter, veterinary certificate, tips, drinks and gratuities.
