### Antelopes

March - December

We'd like to offer you a program in the 250.000 ha Conservancy without high fenced hunting area at three and half hours to the North of Windhoek with plenty animals with excellent trophies, classy accommodation on a farm and excellent organization of the hunt. It is a very sought-after area where we can offer you only several available dates thus it is necessary to do the booking well in advance. Bookings are accepted until there are no more free dates.
