Alpine Chamois and Roe deer

August 1 – December 31

Slovenia is a small country in the Alps, with peaks high up to 3.500 meters and many chamois. The hunt is done by stalking and lodging is provided in hunting houses or in small hotels in tourist areas. This hunt is relatively difficult and requires a good physical preparation

Moreover this hunt is very well organized, with guides that know the animals and the area perfectly. Roe deer hunt opens as well starting from May 1.

Combining Roe deer and Chamois hunts is possible in the Alpine area.

Rates:

4/3 hunting days with included 3 Roe deer up to 400 gr.	€ 3.500
Additional Roe deer up to 400 gr.	€ 700
3/2 hunting days with one Alpine chamois included	€ 2.900
Additional chamois	€ 1.300

Rates Include:

Assistance for the clearance of customs formalities, assistance at arrival and departure at Ljubljana airport, 4x4 during the hunt, full board in hunting houses or small hotel in the hunting area, assistance of local guides, first preparation of the trophy, Slovenian hunting license.

Rates Don't Include:

Air fares, weapon import permit payable directly at the airport upon arrival, interpreter guide € 80 daily, tips (we suggest EUR 150 daily), drinks and gratuities.
